

## BG-71

### Universal OHP Film for Colour Laser Printers & Copiers

A crystal clear film, for Colour Laser Printers using low fusing temperature toners. Ideally suited for overhead projection transparencies or see through overlays. The film uses the same universal coating on both sides, eliminating any confusion when inserting sheets into the feed tray.

#### Characteristic

- Suitable for Colour Laser Printer
- Suitable for Colour Copier
- True colour
- Good flatness
- Heat resistant
- Highly universal
- Excellent toner bonding

#### Finish

- Clear transparent

#### Specifications

|                                |                       |
|--------------------------------|-----------------------|
| • Coating frontside            | Laser & Copier colour |
| • Print side                   | Printable both sides  |
| • Base material                | Polyester film        |
| • Width (mm)                   | 210                   |
| • Length (mm)                  | 297                   |
| • Width (inch)                 | 8.27                  |
| • Length (inch)                | 11.69                 |
| • Format                       | A4                    |
| • Base/Nominal thickness (mm)  | 0.100                 |
| • Base/Nominal thickness (mil) | 4                     |
| • Packing quantity             | 50                    |
