

SAFETY DATA SHEET

According to (EG) Nr. 1907/2006 (as amended by (EU) Nr. 453/2010)
Created: 18.11.2013 / Effective from: 18.11.2013

1. Product and Company Identification

TRADE-NAME

POLI-PRINT

Relevant identified uses

Self-adhesive printable films

Company Identification

POLI-TAPE Klebefolien GmbH

Zeppelinstraße 17

D – 53424 Remagen

Contact Person: Dr. H.P. Michels

Telephone: +49 2642 – 98 36 0

Fax.: +49 2642 – 98 36 37

E-Mail: info@poli-tape.de

Emergency Tel. No.

+49 2642 – 98 36 31

2. Possible Hazards

Special health, human or environmental danger advice

General Physical Form: Solid

Non- dangerous product in terms of the EG criteria

3. Composition/Information on Ingredients

Components

PVC-films coated with acrylic adhesives covered with silicone papers

Dangerous contents material

None

The product does not contain substances included in the "Candidate List of Substances of very high concern for authorisation" by ECHA. The product is conform to REACH

4. First Aid Measures

General information:

No special measures required

Eye contact

Immediately rinse with running water for several minutes

Skin contact

The product does not irritate the skin

Inhalation

Not applicable

If swallowed

Not applicable

5. Fire Fighting Measures

Extinguishing media

Suitable extinguishing media: Water, foam, carbon dioxide, extinguishing powder

Unsuitable extinguishing media: Water full jet

Special hazards arising from the substance or mixture

Hazardous combustion products: Carbon monoxide (CO), Carbon dioxide (CO₂), Nitrogen oxides (NO_x), Hydrogen Chloride (HCl)

Advice for fire-fighters

No unusual fire or explosion hazards are anticipated

6. Exposure Controls

Personal precautions, protective equipment and emergency procedures

Not required

Environmental measures

No special measures required

Methods and material for containment and cleaning up

Clean up mechanically

Additional advice

No dangerous substances are emitted

SAFETY DATA SHEET

According to (EG) Nr. 1907/2006 (as amended by (EU) Nr. 453/2010)
Created: 18.11.2013 / Effective from: 18.11.2013

7. Handling and Storage

No particular measures are necessary if handled appropriately

Fire and explosion protection advice

No particular measures are necessary if handled appropriately

Requirements for storage rooms and vessels

No particular requirements

8. Exposure Controls/Personal Protection

Additional advice for appropriate engineering controls

Observe electrostatic charge

Occupational exposure limits and/or Biological limit values in the working environment

Not applicable

Individual protection advice - Personal protection equipment

General protection – Hygiene advice

The usual precautionary measures are to be observed when handling chemicals

Eye / Face protection

Not required

Skin protection

Not required

Respiratory protection

Not required

9. Physical and Chemical Properties

Information to the fundamental physical and chemical properties

Appearance

Condition of Aggregation : firm

Colour: white or colored

Odour: typical

pH-value: Not applicable

Melting point / freezing point: Not applicable

Boiling point: Not applicable

Flashing point: Not applicable

Flamability (firm, gaseous): Not applicable

Solubility in Water: Insoluble

Self-ignition temperature: The product is not self-ignitionable

Explosive properties: Non - explosive

10. Stability und Reactivity

Possible of hazardous reactions

None known

Conditions to avoid

None known

Hazardous decomposition products

None known

SAFETY DATA SHEET

According to (EG) Nr. 1907/2006 (as amended by (EU) Nr. 453/2010)
Created: 18.11.2013 / Effective from: 18.11.2013

11. Toxicological Information

Information on toxicological effects

Acute toxicity

This product, when used under reasonable conditions should not present a health hazard

Skin irritation

None known

Awareness sensitization

None known

Additional toxicological information

This product is not subject to declaration due to the general rating principles for the preparation in the EG in the last relevant version

12. Ecological Information

Ecological toxicity

Non - hazardous to water

Persistence and degradability

No test data available

Bio-accumulative potential

No test data available

Results of PBT and vPvB assessment

No test data available

Other harmful effects

No test data available

13. Disposal advice

Recommendation: Small quantities can be disposed of in the household rubbish

Larger quantities should be disposed of in accordance with local/national laws or regulations

14. Transport Information

Non - hazardous for transportation

15. Regulatory Information

Non-hazardous compound / preparation in terms of the hazardous material regulations GefStoffV

This product does not require a declaration according to EG regulations /GefStoffV

Water danger level

Not dangerous to water

16. Other information

All data and technical information presented the best of our knowledge. They describe the safety requirements of our products and they do not substantiate any contractual law relationship. The respective enforced statutory provisions are to be observed. This is a non hazardous product in accordance with the current GefStoffV. The Safety Data sheet serves only to comply to the information requirements according to the regulation (EG) Nr. 1907/2006 (REACH) for our customers.
