

Date: February 2019

Dear valued Hanita Coatings Customer,

To the best of our knowledge **Hanita Coatings Window Film Products** do not intentionally contain the substances mentioned in RoHS - EU Directive 2015/863/EU on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment, in quantities exceeding the restricted limits.

The disclosed information referenced above is to the best of our knowledge and based on Hanita Coatings knowledge of the products and information provided by our raw materials and component suppliers. Hanita Coatings has not conducted testing and we recommend that you or your customer(s) make your own determination on the suitability of the products listed above for your particular application.

All Avery Dennison statements, technical information and recommendations are based on tests believed to be reliable but do not constitute a guarantee or warranty. All Avery Dennison products are sold with the understanding that purchaser has independently determined the suitability of such products for its purposes. All Avery Dennison's products are sold subject to Avery Dennison's general terms and conditions of sale, see <http://terms.europe.averydennison.com>
