

# Imageperfect iD7 White Gloss Air

**Imageperfect iD7 is a white gloss polymeric vinyl incorporating Air technology and a grey, permanent adhesive for indoor and outdoor long-term applications. Known for durability, performance and exceptional print quality, this is one of the top Imageperfect product lines world-wide.**

Imageperfect iD7 is a permanent product for indoor and outdoor applications such as long-term signage, and general commercial advertising, as well as markings, decoration and vehicle graphics. It incorporates Imageperfect Air technology to increase repositionability and to assist with bubble-free application. It promotes high levels of print quality with remarkable text definition and a large colour gamut to ensure colourful vibrant print output. In addition, it features a double-side PE coated lay-flat liner, combined with our unique Imageperfect adhesive system that performs well in areas of high altitude and at cold temperatures.
