

COLOR TPU FILM

STRUCTURE COLOR TPU

COLOR TPU

CARLAS is a leading manufacturer of car wrap vinyl, offering an extensive range of over 200 vibrant colors in our COLOR TPU Paint Protection Film (PPF). Our advanced film features self-healing properties, effectively repairing minor scratches automatically. The film is versatile in application, supporting both dry/wet installation methods.

Engineered for durability and longevity, the COLOR TPU PPF provides robust protection for your vehicle while maintaining a sleek, high-quality appearance. Choose CARLAS for a superior finish that not only enhances style but also withstands the test of time.
