LENGTH (m)

ca. 70
ca. 60
ca. 60

APPLICATIONS

blockout
display frame systems
roll up display systems
wall covering
backdrops
banners

FEATURES

air tight
blockout
no fraying
good flatness
crease resistant

DESCRIPTION

be.tex® Salsa Opaque FR is the replacement of be.tex® Blackback Display FR. The big difference is the base fabric. be.tex® Blackback Display FR was a knitted fabric with PA-blockout-foam. As this combination has some disadvantages in dye sub printing we changed to a fine woven base fabric. Shrinkage of less than 2% at 200°C (belt calander).

NOTES

Salsa base fabric, developed for dye sub printing, grey PA-blockout-foam on the backside.
